## Chairman's Letter

I would like to extend a warm welcome to the 2006 issue of *Sunsetter*, the Sunset Beach Club owners' magazine.

Over the past year, the resort has undergone fantastic changes on many fronts, including a completely new-look poolside area with full-heated outdoor swimming pool, a hugely popular new Terrace Restaurant and a great new seafront promenade.

There is a newly improved Kids Centre, redesigned crèche and new health and beauty salon all on the ground floor. And we have introduced several great new shows in the Moonlight including 'The Rat Pack' and 'Magical Musicals' complete with live orchestra and Las Vegas show girls – reserve your tickets for these, and all your excursions and golf at the Leisure Desk on the 6<sup>th</sup> floor. This year's Annual General Meeting is to be staged in my wonderful home city of

Copenhagen in Denmark – where I will be standing for re-election for my fourth term on the committee. I hope to see as many of you there as possible.

We always welcome your comments and news. Should you have an item, which might merit inclusion, please send it to: Claire Mitchell, Resort Services Manager, Sunset Beach Club, Avda del Sol, No 5, Benalmádena Costa, 29630, Malaga, Spain.

**Michael Orlien,  
Committee Chairman.**

## Our food's just magic!

A Couple enjoys the new menu on the Terrace Restaurant  
Et par nyder den nye menu på The Terrace Restaurant

“New menus with something to appeal to everyone all day long.”

That's the promise from operations director Rafael Guerra and his team, who have rolled out new menus in the Oasis, Terrace and Panorama Bars.

Rafael, who took up the post earlier in 2006 following spells in hotels in Guatemala, Costa Rica, the US and Switzerland, has opened a host of new outdoor bars to provide an expanded choice of food and drink options for members.

“Whether members are eating in our restaurants indoors, or in our fabulous new beachfront outlets, we will provide high quality food and beverages all-day-long.”

A new poolside snack bar, opening soon, offers hot dogs, burgers, sandwiches and ice creams from 1pm to 7pm.

It is complemented by two promenade beach bars – the first serving ready-to-go snacks, sandwiches and drinks, and the other, close to Torrequebrada, offering a more chic ambience with a select hot food menu served at small tables under a thatched pergola.

There's more choice at lunchtime now too, with the Oasis, Terrace Restaurant offering a tasty range of great sandwiches complementing old favourites like pizzas and hamburgers, and the Panorama Bar offering great food and drink options for 2006 from 1pm to 4pm.

The Terrace Restaurant outside the Oasis now offers another 50 seats, taking it up to more than 250 sittings a night: it is open earlier and later, from 11.30 am to 2am.

“Our Terrace Restaurant has been a real hit with members,” says Rafael, “and is complemented by a full programme of live entertainment which has fuelled demand for more sittings and later opening times.”

Another novelty is packed lunch boxes (with iceboxes) available for members from the supermarket, where they can also purchase fresh bread and rolls and sweet cakes from the in-house bakery.

Rafael says: “We're sure that members will enjoy our new menus in our restaurants and our new bars on the promenade, but the challenge is to further enhance our reputation for great customer service and competitive prices too.”

## Vores mad er bare den bedste!

“Nye menuer, som bare lokker hver dag.”

Det lover vores nye chef Rafael Guerra og hans medarbejdere, som har udarbejdet de nye menuer i Oasis, Terrace og Panorama Bar.

Rafael, som startede hos os i starten af 2006, har arbejdet på hoteller i Guatemala, Costa Rica, USA og Schweiz. Rafael er nu også ansvarlig for de mange barer og restauranter Sunset Beach Club har, hvor man vil tilbyde et udvidet sortiment af mad og drikke for vores medlemmer.

“Om man ønsker at spise indendørs på vores restaurant eller på en af vores barer på paseoen, kan vi tilbyde mad af bedste kvalitet samt et stort udvalg af drinks hele dagen.”

En ny snack bar ved poolen sælger hotdogs, burgers, sandwiches og is fra kl. 13 til 19.

Derudover har vi to barer på vores paseo – den første serverer fast food, sandwiches og drikkevarer, den anden, tæt på Torrequebrada i smukke omgivelser, tilbyder varm mad ved små borde under en strådedækket pergola.

Ved frokosttid er udvalget i Oasis og Terrace nu udvidet. Der serveres lækre sandwiches, pizza og hamburgers.

Rafael Guerra, new Operation's Manager  
Rafael Guerra, den nye driftsleder

I Panorama Bar kan man købe mad og drinks fra kl. 13 til 16.

Terrace Restaurant har fået yderligere 50 siddepladser, mere end 250 pladser. Der åbnes tidligere og lukkes senere; fra 11:30 til 02:00.

»Vores Terrace Restaurant er blevet en succes hos medlemmerne«, siger Rafael, »og desuden har vi levende underholdning der hver aften, som krævede flere siddepladser samt længere åbningstid.«

En anden nyhed er at man kan købe færdigpakkede madpakker (med isboks) i supermarkedet, hvor man også kan købe friskbagt brød og kager fra vort eget bageri.

Rafael siger: «Vi håber vores medlemmer vil tage godt imod vores nye menuer i vores restauranter og nye barer på paseoen, men den virkelige udfordring er at udvikle vort gode ry for god kundeservice samt konkurrencedygtige priser.»

## Breakfast in style...

More members are taking advantage of the great breakfast buffets – five breakfasts for 30 euros!

Every member should start the day with a hearty breakfast. It's the most important meal in the day...

So I decided to put Sunset Beach Club's buffet breakfast

to the test – and having stayed in resorts all over the world I like to think I know what I'm looking for.

9.00am and the Oasis was full. So much for beating the early-risers!

The buffet breakfast was attractively laid out. There is lots of choice – fresh fruit salad, cereals, yoghurts, croissants, local breads – and piping hot bacon, sausage, and

scrambled or fried eggs on the hot plate counter.

John and Margaret Whelan, from County Dublin were impressed! “There's lots of choice – and the hot food really is hot, unlike some other places we've stayed in.” I had to agree – hot food on cold plates is one of the worst ‘sins’ in the business.

Young Kevin McDonald, from Scotland, seemed to have three breakfasts on one tray - all for

himself! “It's very nice,” he said, “I really like the choices of juice and pastries.”

The breakfast buffet is a hit with members – Oasis staff are seeing up to 300 sittings between 8.30 and 11.30 in high season – giving even the latest of starters a chance to get down and eat!

My verdict? I couldn't resist going back for more. And nice price too - five breakfasts for just 30 euros!

Members savour the choice at the resort's special breakfast buffet  
Mærk duften af morgenmadsbuffettens store udvalg

## Morgenmad med stil...

Mange af vores medlemmer benytter sig af vores tilbud på morgenmads buffetten – 5 gange morgenmad for kun 30 euros.

Alle burde starte dagen med et godt morgenmåltid. Det er det vigtigste måltid om dagen...

Så jeg besluttede at prøve den nye morgenmads buffet på

Sunset Beach Club – og da jeg har boet på mange forskellige resorts over hele verdenen, ved jeg, hvad jeg går efter.

Kl. 9.00 og Oasis var fyldt op. Der var nogen som kom tidligt!

Buffeten var meget nydeligt anrettet. Der er et stort udvalg – frisk frugtsalat, corn-flakes, yoghurt, croissant, forskelligt lokalt brød – varm bacon, pølse, røræg og spejlæg på de varme fade.

John og Margaret Whelan fra Dublin området var imponerede! »Der er et stort udvalg – og den varme mad er varm, i modsætning til mange andre steder, vi har været. Varm mad på kolde fade er den største syn i den branche.«

Det så ud som om, at den unge Kevin McDonald fra Skotland havde hele tre gange morgenmad på sin bakke – men det var kun til ham selv. »Det er skønt,« siger han, »Jeg kan

lide det store udvalg af juice og kager.«

Morgenmads buffetten er et stort hit hos gæsterne – mellem 8:30 og 11:30 kommer der ca. 300 mennesker til spisning hver dag i højsæsonen – der er derfor også mulighed for syvsøverne at nå at få morgenmad!

Min vurdering? Jeg kunne ikke modstå at gå tilbage efter mere. En fornuftig pris – fem gange morgenmad for bare 30 euros!

## Fun, fun, fun

Get set for fun, fun, fun with Sunset Beach Club's animation team.

Once again, our busy team is putting on a fantastic programme of activities to enjoy all-year-round – with something to suit every age and taste.

There's more for teenagers from the entertainments team this year, with football and a selection of beach sports on the promenade, as well as pool competitions.

And two brand new nine-hole mini-golf circuits will combine with seasoned favourites like the Pirates Club, mini discos, darts, water polo, archery, French boules, rifle shooting,

board games and Spanish lessons.

Also new from the daytime team is Spanish dancing by the pool – as well as a colourful evening show, Caribbean Night which compliments the popular Mamma Mia show in the Moonlight.

Paella-making classes are always a big hit – members even get to taste their final mouth watering creations!

2006 is a year of fun, fun, fun for members at Sunset Beach Club. Team leader and show performer Rocio Perez says: "We literally won't be stopping from 10am in the morning – with great activities indoors and outdoors for all the family."

## Showtime

It's showtime at The Moonlight – as a double bill of new shows takes centre stage.

Tuesday night belongs to 'The Magical Musicals', featuring the best shows from Broadway and The West End, while Wednesday night celebrates the incredible singing talent of Frank Sinatra, Dean Martin and Sammy Davis Junior in the hottest and most entertaining show on the planet – 'The Rat Pack'. More recently, 'Passion' hits the bill on Friday nights.

The sell-out shows are the brainchild of Steve Shappelle, writer of a number of top

musicals and now producing what are arguably the best two shows on the Costa del Sol.

Steve also performs, doing a class Sammy Davis Junior in the two-and-a-half hour Rat Pack show, which features 23 legendary tunes, and is backed by The Marbella Band of 10 and 3 Las Vegas showgirls.

The Magical Musicals is just as popular – Cats, Chicago, Oklahoma, Evita, Oliver, Phantom of the Opera and West Side Story among the musicals beautifully performed to mesmerised audiences.

Members love the trip back to the unforgettable halcyon days of hip and cool, with packed

audiences for both shows every week of the year so far. "The feedback has been great – people come up to us after the shows and say 'we saw it in the West End, but we enjoyed it even more here...'"

Perhaps the most daring but arguable the most outstanding show has been the recently launched "Passion" experience with the renowned Flamenco dancer, Rosi de Alva. This awe-inspiring show is nothing short of pure emotion transmitted through the heart and sole of the Andalucian spirit.

Meanwhile, in the Oasis Restaurant/Terrace Bar, members can enjoy a meal and drink with top-class international cabaret acts, and 'Stars in Their Eyes'.

Sunday sees Pete Navarro performing as Neil Diamond, while Monday is the turn of saxophonist Steve Cadd, whose inexhaustible energy and sheer talent wows the crowds.

Popular Irish singer Pearse Webb, who has been drawing in the crowds with his unique Irish night for many years, is the Celtic charmer on Tuesdays, while female vocalist Adele Peters presents her very own evening of live music on Thursday.

Details of nightly shows in the Moonlight and Oasis/Terrace Restaurant can be found in reception, with daily leaflets posted in rooms. Tickets to the shows and pre-show dinners at discounted prices are available from the Leisure Desk on the sixth floor.

Plenty of shows to choose from at Sunset Beach Club  
Vi har mange shows at vælge imellem på Sunset Beach Club

*Så er der showtime i Moonlight – se dem på scenen.*

*Om tirsdagen er det »The Magical Musicals« med de bedste shows fra Broadway og West End, mens onsdag aften fejrer de syngende talenter Frank Sinatra, Dean Martin og Sammy Davis Junior i det sejeste og mest underholdende show på jorden – »The Rat Pack«. »Passion« spiller om fredagen.*

*De udsolgte shows er Steve Chapelles hjertebørn, forfatter til et antal top musicals og nu producer på de absolut bedste to shows på Costa del Sol.*

*Steve optræder som Sammy Davis Junior i det to-og-en-halv time lange Rat Pack show, som indeholder 23 af de gamle numre bakket op af et 10-mands stort orkester fra The Marbella Band og 3 Las Vegas show-girls.*

*The Magical Musicals er ligeså populært. – Cats, Chicago, Oklahoma, Evita, Oliver, Phantom of the Opera og West Side Story er blandt de musicals, som hypnotiserer publikummet.*

*Gæsterne nyder at blive forført tilbage til de uforglemmelige stille nostalgiske dage, med fulde huse hver uge i det seneste år. »Publikums reaktioner har været meget positive – folk kommer til os efter showet og fortæller, at de*

*så det i West End, men vi nød det endnu mere her...«*

*Måske det mest udfordrende og spændende show »Passion« er netop startet i Moonlight med den kendte og dygtige flamenco danser, Rosi de Alva. Dette overvældende show er simpelthen de stærke følelser fra Andalusens hjerte og sjæl.*

*I Oasis/Terrace Restaurant kan man nyde sin mad og drinks med international cabaret numre i top klasse og 'Stars in Their Eyes'.*

*Om søndagen optræder Pete Navarro som Neil Diamond, om mandagen er det saxofonisten Steve Cadd, hvis uimodståelige*

*energi og dygtige talent, som rorer publikum.*

*Den populære irske sanger, Pearse Webb, som har trukket fulde huse med sine unikke irske aftener i mange år, er den keltiske charmer om tirsdagen, mens sangerinden Adele Peters har sit eget smukke program om torsdagen.*

*Information vedr. shows i Moonlight og Oasis/Terrace kan fås i receptionen. Du modtager dagligt små sedler i lejligheden vedr. disse arrangementer. Billetter til shows og for-show middage til nedsatte priser kan købes i Leisure Desk på 6. sal.*

## Sunset Hair and Beauty

More hair styles, more beauty treatments and more massages – that's the promise from the new Sunset Hair and Beauty Salon, which has relaunched on the ground floor.

The centrepiece of the salon is a fantastic state-of-the-art massage suite, offering a host of health and beauty treatments, complete with shower facilities.

The Salon uses Thalgo face and body and Wella hair products, which are proving popular with members.

Marianne Allen, who previously worked at the prestigious

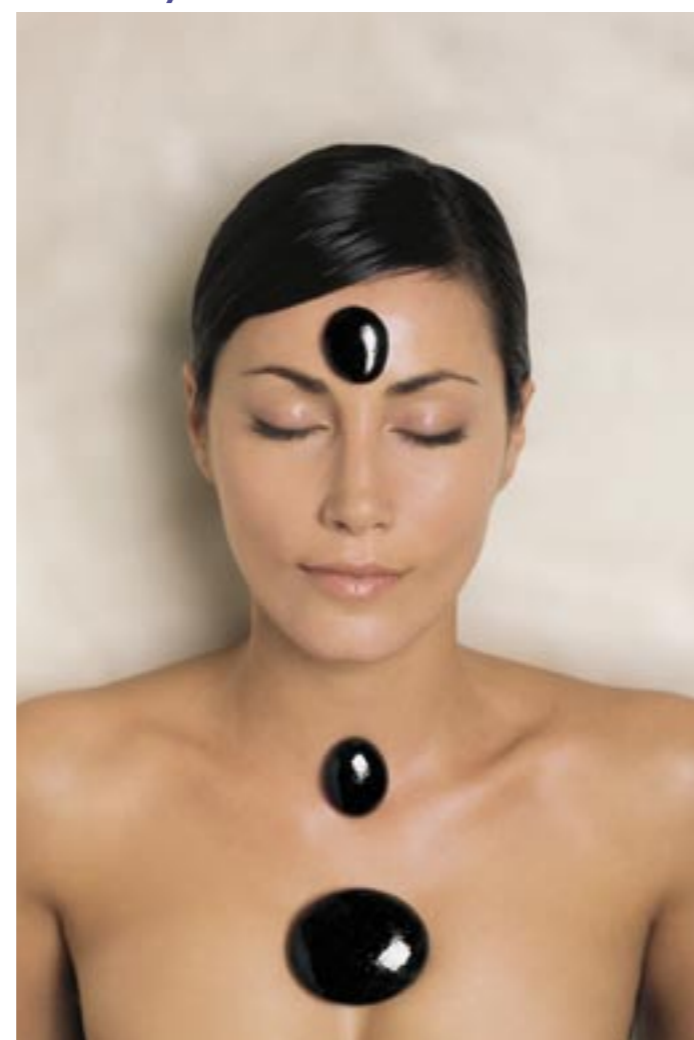

Turnberry Hotel and Spa in Ayrshire in Scotland, and Lydia Parraga, from Malaga, are the new hair and beauty team.

Marianne said the salon's popularity was due to its new ground floor location – and superb prices: "A cut and blow starts from 25 euros, a massage from 23 euros and a manicure/pedicure from 20 euros. We also offer eight varieties of facials, as well as algae mud body wraps, every kind of massage and false nails. So far, it has been hugely popular with members."

Sunset Hair and Beauty is open five days a week, Tuesday to Saturdays, 10 am to 6pm (Wednesday 1pm to 9pm).

## Wedding Belles

The red carpet was rolled out in style as Sunset Beach Club staged its first-ever wedding.

Renny and Michelle Campbell, from London, tied the knot in a private ceremony attended by more than 40 family members and friends travelled from the UK.

A Highland piper added a dash of Highland panache and romance to the proceedings, staged in perfect spring sunshine underneath the thatched pergola at the resort's Terrace Restaurant.

The couple, who enjoyed two weeks at the resort, were delighted with their big day – a champagne reception on the

Terrace followed by a special celebration for family and friends in the Panorama Bar.

Weddings Co-ordinator Jackie Kellett said: "It was a fantastic afternoon, the bride and groom and all of the bridesmaids looked absolutely radiant in their outfits on their big day and everyone had a good time: it's the first of many weddings planned for 2006/7."

## Boyd's Puts Fitness First

Boyd's Leisure Club is looking forward to keeping many more members and guests fit and healthy in 2006 – with a great new programme of classes and facilities for young and old alike.

“We've been here for 12 years now,” say Becci and Robert Boyd, “and we've come a long way from providing just pool, sauna and jacuzzi facilities,” he says.

With more members than ever before, the 10-strong team is able to offer many more activities, particularly in the aerobics studio.

The installation of the wooden parquet studio three years ago proved an instant hit and now almost 30 hourly classes – from yoga, step and tone to circuit and stretch, spinbike, aquafit and power dumbbell, run throughout the week.

“Our pilates classes are reckoned to be the best on the coast,” says Robert, “and

we have started 'aqua babies' which introduces younger tots to the area - and proving popular too.

“Classes cater for all ages and tastes,” says Robert, “and we are adding new ones all the time, like modern dance, jazz and Irish dance classes, and of course, the ever-popular salsa classes,” says Becci.

The leisure centre recently underwent a new refurbishment. New initiatives include a body fat testing desk, as well as Wellness Weekends where clients can come and sample the resort's accommodation, dining, leisure and spa facilities.

“We need to stay at the forefront of our game and not rest on our laurels, as there's competition springing up on the coast all the time,” says Becci, “we look forward to welcoming many more members back to Boyd's in 2006/7.”

Classes continue to fill at Boyd's Fitness Centre  
Aktive hold i gang i Boyd's Fitness Centre

## Boyd's sætter fitness i første række

Boyd's Leisure Club ser frem til at vores medlemmer og gæster er sunde og i fin form i 2006 – med et stort nyt program for såvel unge som ældre.

»Vi har nu været her i 12 år,« siger Becci og Robert Boyd, »og vi er kommet langt siden starten med kun pool, sauna og jacuzzi,« siger han.

Med det store antal medlemmer vi har nu er det muligt for

os og vore 10 instruktører at tilbyde flere aktiviteter specielt i aerobics klassen.

Det var helt rigtigt at få lagt det nye parketgulv for tre år siden. Vi har nu 30 hold – fra yoga, step, stræk, cykling, vand-fitness samt håndvægte i løbet af hele ugen.

»Vores pilate hold er de bedste på kysten,« siger Robert, »og vi har også startet hold for små

børn, så de bliver fortrolige med det våde element, i øvrigt som de første her i området. Det er meget populært.«

»Holdene tilfredsstillende ønsker for alle aldre og smag,« og vi åbner stadig nye hold som f.eks. moderne dans, jazz og irsk dans og selvfølgelig den meget populære salsa dans,« siger Becci.

Fitness centret gennemgik

for nylig en gennemgribende renovering. Et nyt tiltag er en fedme test samt en wellness week-end, hvor kunderne kan nyde resortets faciliteter, spise, slappe af og gå i spa pool.

»Vi vil gerne gå forrest i vores branche og ikke hvile på laurbærrene, da konkurrencen er stor her på kysten,« siger Becci, »vi glæder os til at byde endnu flere nye medlemmer velkommen til Boyd's i 2006/7.«

## Seafront promenade

Sunset Beach Club now has its very own seafront promenade.

A new walkway, which links east Benalmádena to Torrequebrada, has been completed, landscaped with more than 200 palms, street lamps and wooden benches.

The centrepiece of the development – which marks the final phase of the coastal project – has two beautifully crafted Polynesian-style beach bars.

One offers ready-to-go snacks and drinks, while the second, closer to Torrequebrada, is a stylish, chill-out bar.

Mark Wardell, General Manager, said: “Without a doubt, we have a unique facility on the beach – it is more akin to a Californian-style operation which will be a great addition to Benalmádena.”

The development includes two nine-hole mini-golf course circuits, as well as a football pitch, petanque range and kids' playground.

Pedal boats and canoes are available for hire from the beach bars and a scuba school offers diving lessons.

There is secure, barrier parking for up to 220 cars, with special discounts for members.

## Strandpromenade

Sunset Beach Club har nu fået sin egen flotte strandpromenade.

Den nye paseo, som forbinder det østlige Benalmádena frem til Torrequebrada er blevet færdig med over 200 palmer, gadebelysning og træbænke.

Midt i dette nye område – som markerer den endelige afslutning af dette kyst projekt – er der placeret to meget smukke strandbarer i polynesiske stil.

Den ene tilbyder ta' med snacks og drikkevarer, mens den anden, som ligger tættest på Torrequebrada, er en stilfuld svalende bar.

Direktør Mark Wardell siger: »Vi har uden tvivl en meget unik facilitet her på stranden – den er meget beslægtet med den californiske serveringsmåde, et stort plus for Benalmádena.«

Området har to ni-hullers minigolf, en fodbold bane, petanque baner og en børnelegeplads.

Man kan leje vandcykler og kanoer ved strandbarerne og en svømmerdykker skole tilbyder undervisning.

Der er også blevet plads til en parkeringsplads til 220 biler med særlig rabat til klubbens medlemmer.

## A place like home

Kersti Skjorten and Oscar Nymo call Sunset Beach Club their second home.

"We have 'adopted' the resort and come here for six months from October to March every year to escape the worst of the Norwegian winters," says Oscar.

"Norway's fjords and glaciers have a certain winter wonderland charm about them, but after a few days of two metres of snow and temperatures of minus 25 degrees, a lot of Scandinavian people like us want to flock to the south in search of some sun."

Oscar, a retired building engineer, and Kersti, a retired primary school teacher, first came to Spain 15 years ago. "We had travelled the world, but liked Sunset Beach Club the best – with its lovely heated pool, restaurants and bars, we really have found THE place where would like to settle down."

Kersti says the resort caters very well for its owners – with great activities like shooting, boule,

table games, cookery classes and Spanish lessons. "The staff are always very kind and make us feel at home – and the maid service is always efficient and we like the fact there is a doctor on-site too."

The couple, who have seven children, 13 grandchildren and one great grandchild, have always had a positive view of timeshare, buying their first weeks 15 years ago. They now have 10 in total. Joining the points system with about 250,000 points has also

given them the flexibility to experience other resorts around the world – from the Canaries, to China, Bali and North America.

"But Sunset Beach Club is our special place. We like the friendliness of the guests here and the staff – it has a real social club feel and the maintenance and cleanliness have been first-class," says Oscar.

And, when they get homesick, they simply tune into the

resort's Scandinavian channels to catch up on all the local news. "That's another big plus for the resort's northern European members – I think Sunset Beach Club is the only resort to offer such a wide range of international channels!" says Oscar.

It doesn't get much better than that – two of timeshare's most satisfied customers who bring a dash of Norwegian charm to Spain's warmer climes.

## Hjem, kære hjem

Kersti Skjorten og Oscar Nymo kalder Sunset Beach Club deres andet hjem.

"Vi har nærmest adopteret resortet og kommer her 1 seks måneder fra oktober til marts hvert år for at undslippe den værste del af den norske vinter," siger Oscar.

De norske fjorde og bræer er et meget charmerende vinterlandskab, men efter flere dage med 2 meter sne og minus 25 grader flygter mange skandinaver ligesom os til syden for at få lidt sol."

Oscar, pensioneret bygningsingeniør, og Kersti, pensioneret folkeskolelærer, kom til Spanien for første gang for 15 år siden. "Vi har rejst Verden rundt, men holder mest af Sunset Beach Club – med den dejlige opvarmede pool, restauranter og barer. Vi har fundet stedet, hvor vi gerne vil slå os ned."

Kersti synes at resortet tager sig godt af sine medlemmer – med gode aktiviteter som skydning, petanque, bordspil, madlavnings undervisning og spansk undervisning. »Personalet er altid meget venligt og de får os til at føle os

hjemme – rengøringen er altid i orden, og vi er glade for at der er en læge på stedet.« Parret, som har syv børn, 13 børnebørn og et oldebarn, har altid været glade for timeshare, de købte deres første for 15 år siden. Nu har de 10.

Som ejere i pointsystemet med ca. 250.000 points har de fået muligheden for at besøge andre resorts rundt i Verden – Kanarieøerne, Kina, Bali og Nord Amerika.

»Men Sunset Beach Club er vores specielle sted. Vi er glade for gæsternes og personalets venlighed – det giver en social følelse og vedligeholdelse og renlighed er første klasses,« siger Oscar.

Skulle de få hjemve, klikker de blot ind på resortets skandinaviske TV-stationer for at følge med i de lokale nyheder. »Det synes jeg er et andet stort plus for resortets Nord Europæiske medlemmer – Jeg tror Sunset Beach Club er det eneste resort, som har så stort et udvalg af internationale TV-kanaler at byde på,« siger Oscar.

Det kan ikke blive bedre – to af timeshares mest tilfredse kunder, som bringer et stænk af norsk charme til Spaniens varmere klima.
